

LOGNOTE -- Acting Chief, Operations Group, 20 March 1984

1. (Wilson) On 16 March, I attended a debriefing at Headquarters of Robert H. Phinney, U.S. Ambassador to the Kingdom of Swaziland. Also attending were DDI representatives from the Office of African and Latin American Analysis and the Office of Central Reference. Most of the meeting was devoted to listening to Ambassador Phinney explain the detailed maneuvering for political power by the royal family and government officials and possible reactions from the African National Congress to the recent Mozambique-South Africa agreement. The Ambassador did say in response to a question from me that he is pleased with the bureau's performance and the services it provides. He is looking forward to working with Bureau Chief-Designate [] who replaces [] this summer.
